Ballet Petit's Parent Collective Effort Program (BPPCEP)

Spring Concert Overview 2019

Dear BP Parents, We / they need you! We deeply appreciate your support of your child's performance experiences. Many earlier collaborations have brought us to where we are today. Your effort will collectively make many important things happen this season. Additional people will be brought into the theatre to see your dancer perform in our wonderful production. Dancers and audience members will enjoy beautiful and lavish costumes, sets, and a full stage production, a value far greater than the ticket prices. Together, you will help us together bring the wonders of classical ballet to more members of the community. Here is some information about how we will be building on the legacy of what has come before us, and how we will move forward. Thank you for joining our efforts for our dancers!!

We have seen first hand the magic that is created when we work together. With this in mind, it is required that each *family* of performing Ballet Petit dancers becomes involved in the behind the scenes aspects of our productions. We understand that everyone's time, talent, needs, and circumstances are unique and different. For this reason, we offer options. *You may join our collaboration of 5 hours, or OPT OUT of participation for the price of the deposit / fee.*

A Collective Effort Program for Spring Concert **Deposit of \$100, in the form of a SEPARATE check**, is required at registration to participate in each BP production. This is to guarantee a *minimum of 5 hours per family* to be dedicated to supporting Ballet Petit's various Collective Effort needs. Those who choose to waive their support by Opting Out may do so and will have their BPPCEP deposit check cashed.

Miss Peggy will send out emails as needs arise. You may also email her to suggest or offer suggestions of activities. Sign Up Genius, an app, will be used for some activities. Our parents are very welcome to offer ideas for their participation in our BPPCEP. Our goals are to enhance the productions for the dancers, supporting production needs, while building our community. There is a binder near the Parent Notice Board to record your hours.

Ballet training is more than taking classes and performing on stage. Our BP parent community is very important. Our parents are an essential part of our program. Miss Peggy utilizes our Ballet Petit Parent email list / group to send out important information such as production rehearsal etiquette matters, collective effort opportunities, rehearsal times, ticket sale info, emergency notifications, etc. This is NOT a parent chat list. Emails go between you and Miss Peggy, ONLY. I promise you, from me, I do not share your email addresses, and only I can send the emails out.
